

A photograph of a woman's upper body, from the neck down to the waist. She is wearing a red lipstick and has her hands placed on her chest. The background is a plain, light color.

BREAST CANCER AWARENESS CHARITY EVENT THE NETHERLANDS

Organization of a Charity Breast Cancer Awareness Event.

Together with team of passionate volunteers (including chefs, musicians, actors and doctors) and donation of auction items, foods and drinks by many companies and individuals, we raised during a dinner event, together with an auctioneer of Sotheby's, a substantial amount of money.

We donated the money to Pink Ribbon to support breast cancer research and raising breast cancer awareness.
